**Proposal for Newcomer Program at BHS 2013-2014**

**Goals**

- To increase ELL student achievement in math and LAL by creating a supportive and structured environment for newcomer ELL students during their math and LAL courses. This instructional model will provide English instruction with L1 support and scaffold instruction using age-appropriate materials.
- To identify Level I students via the Home Language Survey and the WAP-T.
- To identify ELL students' math content gaps
- To provide individually paced, differentiated instruction to target identified math content gaps with ongoing assessment for the year. After completion of Pre-Algebra, the student will enter Algebra 1 the following year.
- To provide ESL instruction for Level I students to increase language acquisition and literacy skills until proficiency is reached for success at Level II and Level II coursework.
- To decrease ELL student drop-out rate by providing a team of focused teachers to assist with assimilation concerns beyond classroom instructional needs along with opportunities to achieve immediate success as they enter the school building on a daily basis.

**Structure**

- Newcomer students will be assigned to the same homeroom with their prescriptive math and Level I teachers as their homeroom teachers
- Newcomer students will remain in the homeroom classroom for the next two blocks during which they will receive their math instruction and Level I instructional time.
- Instructional time will be flexible to accommodate students' individual and changing needs as they adjust to their new school environment.

June 11, 2013

**Item 2.4**      \* **Approval of the Elimination of DIBELS and Addition of MAP**

The implementation of the MAP assessments in grades 3-8 was a success in the 2012-2013 school year, and it is proposed that MAP for Primary Grades be implemented beginning the 2013-2014 school year to replace the DIBELS in grades K-2. MAP consists of fully adaptive assessments in Reading, Mathematics, and Language Usage and delivers rich, reliable, state-aligned data that scales to inform staff at all levels. At the Primary Level, screening and skills checklist diagnostic tests, along with adaptive assessments, measure growth and achievement for the youngest learners in Reading and Mathematics. It is also proposed to implement MAP for Science in grades 3-8, which are adaptive assessments covering two realms of Science content: General Science and Concepts and Processes. The cost for the MAP and MAP for Primary Grades is \$13.50 per student. The cost for the MAP for Science is an additional \$2.50 per student. This was approved by the Board Curriculum and Instruction Committee on May 14, 2013.

**Item 2.5**\* **Approval of the Elimination of Midterm and Final Exams in Grades 5-8**

We are now using MAP testing during those same time periods (Mid-year and end-of-year) and therefore we are “double” testing our students. (Currently, students finish the chapter test and then take the MAP test and then the midterm exam all within a 2 week period.) We receive much more detailed reports instantaneously from MAP testing rather than teachers hand scoring and analyzing the exam data. Therefore with MAP, we can “use” the data faster and better. With MAP testing, we are getting a “clean” picture of our student’s strengths and weaknesses. Currently, exams can and are given to students which contain deleted sections/questions because they did not have time to teach. Also, teachers have curved exam grades. MAP testing allows us to see student growth not just the one score which is what the midterm/final exams give the teachers. The MAP testing and the exams are both aligned to the Common Core State Standards, however the MAP testing predicts the proficiency level on the NJASK/PARCC and midterm/final exams do not have this capability. In summary, it is more efficient and effective if we use the MAP assessments rather than give midterm/final exams. This was approved by the Board Curriculum and Instruction Committee on May 14, 2013.

**Item 2.6**      \* **Approval of Summer Technology Installation/Maintenance**

Approved the Summer Technology Installation/Maintenance for the 2013-2014 school year from August 19-30, 2013. The Technology Coordinators will work for 10 days and a total of seventy hours. The time will be spent setting up computers, trouble shooting technology problems, load software, ghost machines and make sure all classrooms are technology ready for the first day of school. The cost will be \$21,210.00, Acct. # 11-000-222-177-00-35.

**Item 2.7**      \* **Approval of Three Year Technology Plan**

Approved the 2013-2016 Three Year Technology Plan as attached.

**Item 2.8**                    **\*Ratification of New Merit Scholarship**

Ratified a New Merit Scholarship – The Mary Brooks Memorial Award. The \$1000.00 award will go to a deserving senior in memory of Mary Brooks who advocated for high educational standards for her children, grandchildren and all children. The deserving senior must have demonstrated high achievement, plans to go to college, is involved in student life, i.e. Youth-to-Youth, has overcome some adversity or challenge and who presents a need. **Executive Session Minutes**  
**June 11, 2013**

The public action meeting of the Bridgeton Board of Education was called to order at 6:30 p.m. by the Board President, Angelia Edwards. Board Members present were Ms. Angelia Edwards, Mr. Albert Morgan, Ms. Barbara Taylor-Holmes, Mrs. Mary Peterson, Mrs. Marie Bernstein, Mrs. Brenda Dellaquilla, Mr. James Williamson and Mr. Curtis Edwards. Mr. Kenny Smith-Bey was absent. Also in attendance were, Dr. Thomasina Jones, Superintendent, Mr. Matt Ritter, Interim Board Solicitor, Mrs. Nicole M. Schoener, School Business Administrator and Mr. Nedd Johnson, Assistant Superintendent. Prayer was offered by Ms. Edwards.

**Executive Session began at 7:19 pm.**

Mr. Ritter informed the Board about a due process hearing for (T.G.) He explained the people who attended and the facts surrounding the case. They were in trial Tuesday through Thursday of the previous week. The judge stated his action was a manifestation of the students disability. He shared the opinion with the Board. Mr. Ritter explained that because of the due process hearing he was granted another 30 days. He stated it is due in July. He believes it may be remanded back and will update the new attorney.
