

Superintendent's Fall Edition

Bulldog Briefing

Dr. Keith Miles, Jr. • Superintendent of Schools

Happy Monday Bridgeton Team!

After 5 months of learning and listening, I am prepared to replace our initial 90-Day Plan with our more targeted 2020-2021 District Priorities, which should guide our work for the remainder of this year and beyond. To move our organization forward, it's important that our focus areas are clear and every member of the organization understands our path forward. Our path forward will require a critical focus on each of the five areas below:

1. College and Career Readiness
2. Virtual Learning Engagement and Attendance
3. School Climate and Mental Health
4. Communications and Community Relations
5. Financial Management and Facilities

While this document is NOT all inclusive, it represents the key areas where I believe if we focus our energy, we will have the maximum impact on achievement.
