

Superintendent's Summer Edition **Bulldog Briefing**

Dr. Keith Miles, Jr. • Superintendent of Schools

Bulldog Team, Happy Last Day for Students!

This year was filled with twists and turns all the way up until the end, with last night's fast moving storm causing us to quickly confirm our 319 graduates and clear the stadium.

Thanks to the Bridgeton High School graduation committee, Mr. Ziefle, James Boner, and all involved in last night's event. We salute all of our educators, coaches, and staff throughout the district who made yesterday's graduation, and the successful transition of our seniors into the world as productive members of society possible.

To all of our 10-month employees, I want to use this opportunity to wish you all a safe and happy summer! Those staff members involved in summer enrichment, please rest up, and we shall see you on July 6th. Please expect our next Bulldog briefing to be released late August or early September 2021.
