

Superintendent's Summer **Bulldog Briefing**

Dr. Keith Miles, Jr. • Superintendent of Schools

Dr. Keith Miles, Jr.

Happy Monday Bridgeton Team!

I hope this briefing finds you all safe and healthy. As we near the opening of school, we are working hard to ensure all of our students have what they need to engage in a hybrid or an all-remote environment in the fall. As you may have noticed, we sent out a survey digitally and mailed hard copy to all families asking for a 1st marking period commitment, if parents plan to return their students to in-person instruction and/or ride the school bus. Our plan is to roster students opting out of in-person with staff that are medically fragile or who will be requesting benefits described in the [Families First Coronavirus Response Act](#). Please inform HR of your intentions as soon as you can.

Also, please check out recent changes to our Bridgeton Public

Please check out recent changes to our Bridgeton Public Schools website. On the site, we have added a "families" as well as a "virtual instruction" tab.

Schools website. On the site, we have added a "families" as well as a "virtual instruction" tab. A preview of our one-page parent flyer is provided on the next page. After tomorrow's Board meeting, we will begin an information campaign keeping families posted on everything they need to know as it relates to back to school. Please feel free to share information with families using your Class Dojo accounts.

Kudos to the 8th grade team at Broad Street School for safely celebrating students during a move up ceremony on Tuesday, July 28th. Staff provided certificates, goodies, a Broad Street school T-shirt, and most importantly, they brought a ton of energy, love, and enthusiasm which students and families enjoyed! See photos on page 3. Please plan to join us for our safe, non-contact community wave and drive-through on Thursday, September 3rd from 2:30-3:30 pm. I am certain students will be excited to see us, and excited to return!

Bridgeton Public Schools - Bulldog Strong!

Dear Bridgeton Public Schools Family:

Keeping our students and staff safe will always be our top priority. Considering the constant changes and the fluidity of information regarding COVID-19, our district has worked hard to implement a plan to safely introduce in-person and virtual learning.

This is a quick guide to help you navigate through the reopening process.

Best wishes!
Dr. Keith Miles, Jr.
Superintendent of Schools

REOPENING PLAN

- Schools open **September 8, 2020**
- Daily temperature checks
- Hybrid instruction (In-person and remote instruction)
- Frequent handwashing and enhanced cleaning schedules
- Full-time remote learning option available, upon request
